What matters to you

We have listened to you and the concerns you raised and will prioritise the following from October to December 2023.

Priority 1: Road Safety

You said: That Road Safety issues are your number 1 concern.

What we are going to do: *Target Uninsured Drivers and Untaxed vehicles where DVLA powers apply *Work with partners encouraging Community Speed Watch and deploying the Council's Visually Activated Signs (VAS) *Conduct Speeding Enforcement Patrols utilising VAS data to target locations/times most affected *Issue Traffic Offence Reports (TORs)

Priority 2: Antisocial Behaviour (ASB)

You Said: Anti-Social Behaviour including use of motorbikes on open spaces is an issue to you.

What we are going to do: *Targeted patrols *Educational Events * Partnership Working

What we are doing

Priority 1—Unfortunately the beat team were unable to complete any proactive work in line with this priority this month due to other demands, however, other officers in the area were able to assist in dealing with offenders for several offences as listed. Our officers will be working throughout the festive period to deal with any drink drivers and any other offences we come across.

Vehicles seized for no insurance	- 4
Vehicles seized for no Tax on behalf of DVLA	- 0
Drivers arrested for drink/drugs offences	- 1
Drivers reported for driving without a licence	- 0
Traffic Offence Reports (inc speeding)	- 1

Priority 2—Bonfire night brought a couple of reports regarding noise but no issues that required any ongoing management to resolve. Looking forward, with the cold snap we've just experienced, this is a timely reminder to parents to ensure that their children know that snowballing is only fun for those who want to take part and that houses are not to be used for target practice. We hope you all have a fantastic festive period and look forward to taking part in some festivities in the area.

News

County Lines Intensification Week (9-15/10/23)

Crime Prevention—Burglary

With 12 residential burglaries across Braunstone Town and Thorpe Astley during November continues the increased trend from the summer months, we encourage residents to light up your home, use timers to switch electrical devices on whilst your out to give the impression that your home has someone in.

If you see or hear any suspicious activity around your neighbours, please pay some extra attention and alert us immediately if you notice anything untoward.
