

## **BRAUNSTONE TOWN COUNCIL**

**30th JUNE 2022**

### **Item 6 – Annual Governance Statement 2021/2022**

#### Purpose

To ensure sound systems of internal control, including the management of risk and the preparation of accounting statements during the financial year ended 31st March 2022 and to authorise the completion and submission of the Annual Governance Statement 2021/2022 accordingly.

#### Background

Under the Regulations it is the Council as a whole that is responsible in law for ensuring that financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of functions and which includes arrangements for the management of risk. Under the regulations, all local councils are required to conduct a review at least once a year of the effectiveness of their system of internal control, in accordance with proper practices.

#### Annual Governance Statement

As part of the Annual Governance and Accountability Return, the Council has to demonstrate that it is compliant with the statements set out in Section 1, Annual Governance Statement:

- 1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.**

*Prepared accounting statements in accordance with the Accounts and Audit Regulations.*

- a) **Budgeting:** the Council reviewed its Medium Term Priorities and Financial Planning arrangements at Policy & Resources Committee in October 2021 and Council in November 2021 ahead of each Standing Committee reviewing its priorities and objectives alongside its budget and capital plan requirements for 2022/2023 in December 2021 and January 2022. The Council approved the Business Plan, Capital Plan and budget when setting the precept for 2022/2023 on 27th January 2022.*

Each Standing Committee receives a report each cycle setting out income and expenditure to date against the budget.

Prior to the commencement of a Capital Plan project, Policy & Resources Committee receives a financial appraisal, including grant funding options, use of revenue budgets and details of reserves. For larger more complex

Capital Plan projects, regular reports are provided during and at the end of each project.

- b) *Accounting Records and Supporting Documents:* Operational expenditure transactions are authorised by two account signatories and each Standing Committee receives a list of all expenditure transactions since the previous report.

The Council uses Finance and Facilities Management Software packages provided by Edge IT, which record all transactions and provide tracking and reporting of overdue invoices/receipts and orders/payments.

The Responsible Financial Officer undertakes quarterly checks on the accounting records and supporting documents and ensures corrective action is taken where necessary.

- c) *Bank Reconciliation:* for the General Operating Account and Payroll Account is undertaken monthly and for the investment account is undertaken quarterly. The Finance System lists transactions to be reconciled and both the reconciliation report and bank statement are signed by the officer reconciling the account and counter signed by the Responsible Financial Officer/Deputy Responsible Financial Officer.

Policy & Resources Committee receive a summary of the reconciled amounts, cash and reserves following the end of each quarter.

- d) *Investments:* The Council maintains a high interest, short term 90 day notice investment account with a UK Building Society, which contains reserves and surplus monies. Where large sums, such as a loan, are received for a capital project and part of the amount is not immediately due for payment, then the balance is invested in the 90 day notice account and drawn down as expenditure payments become due.

The Council reviews and approves its annual Treasury Management and Investment Strategy in November each year when considering its Medium Term Priorities and Financial Planning arrangements.

- e) *Statement of Accounts:* the accounting statements have been submitted:
- Corporate Governance Sub-Committee, 16th June 2022 (item 8);
  - Policy & Resources Committee, 16th June 2022 (item 8); and
  - will be submitted to Full Council on 30th June 2022 (the deadline date for determining the Accounting Statements is 30th June).

For the purpose of the Regulations, Braunstone Town Council is currently classed as a smaller authority (as defined by the Local Audit and Accountability Act 2014) whose gross annual income or expenditure is less than £6.5 million. Accordingly it is audited under the intermediate level review.

- f) *Reserves:* Policy & Resources Committee receive a summary of the cash and reserves following the end of each quarter. Policy & Resources Committee in October and Council in November reviews the position with both earmarked and non-earmarked reserves as part of its Medium Term Priorities and Financial Planning arrangements ahead of each Standing Committee reviewing its priorities and objectives alongside its budget and capital plan requirements for the following financial year.

Policy & Resources Committee also review the position with reserves as part of the financial appraisal for large Capital Projects.

**2. We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.**

*Made proper arrangements and accepted responsibility for safeguarding public money and resources.*

- a) *Standing Orders and Financial Regulations:* The Council's systems of internal controls are set out in the Standing Orders and Financial Regulations. The Council reviews its Standing Orders and Financial Regulations on an annual basis and modifications were approved at Annual Council to the Standing Orders and Financial Regulations on 13th May 2021.

Following fixed term amendments to the Financial Regulations due to the Covid-19 pandemic, the Council permanently adopted changes to enable authorisation of payments electronically and to provide an alternative for incidental expense payments to be made by BACS rather than using petty cash.

- b) *Safe and Efficient Arrangements to Safeguard Public Money:* An official order is issued for all work, goods and services except where there is a formal contract. Orders are issued following receipt of a signed requisition request, which must be counter signed by a Manager. Upon receipt of an invoice, payment is authorised by two members of the council or one member of the council and the Chief Executive & Town Clerk (where he did not issue the order).

All monies received are paid into the bank, usually weekly; the origin of each receipt is entered on the paying-in slip.

The Financial Regulations provide for Policy & Resources Committee to approve banking arrangements, including account signatories, arrangements for the use of corporate credit cards and regular direct debit and standing order payments. These were all reviewed during the year. The Financial Regulations also set out the maximum limit on credit card purchases and require that the balance is fully paid each month.

The Responsible Financial Officer and Deputy Responsible Financial Officer have undertaken Finance training provided through the National Association of Local Councils. The Responsible Financial Officer provides financial responsibilities training for all Councillors. New Councillors have also received financial responsibilities training through the National Association of Local Councils.

The Financial Regulations are reviewed annually by Policy & Resources Committee and Council. The internal control procedures are reviewed annually by Corporate Governance Sub-Committee.

An assessment of financial risks is attached at Appendix 1; proposed amendments are highlighted in **bold text**.

- c) *Employment:* Employment Contracts, establishment posts and pay scales are approved by the Policy & Resources Committee. Transfer of monies into the payroll account is authorised by two members of the Council. Payment of salaries and expenses are authorised by the Responsible Financial Officer. The Council has a contract with a Human Resources Company for advice on detailed employment and contractual matters. The Council is a member of the Local Government Pension Scheme and fully complies with the requirements to auto-enrol employees into the pensions scheme.
- d) *VAT:* The Financial Management System records VAT paid and received and produces reports for the Responsible Financial Officer who is responsible for submitting an accurate and timely VAT Return. All VAT Returns were submitted on time. The Responsible Financial Officer and Deputy Responsible Financial Officer have undertaken VAT Training provided through the National Association of Local Councils.
- e) *Fixed Assets and Equipment:* are regularly inspected in accordance with the regulations and the inspection regime set out in the Health & Safety Policy and associated Risk Assessments.

A full list of the Council's assets, including details of those purchased and disposed of during the financial year, are included with the annual accounting statements (which is the next item on the agenda).

Real property (interests in land) can only be disposed with the approval of the Policy & Resources Committee. Any other assets can be disposed by the Chief Executive & Town Clerk where the value is £1,000 or less; or the relevant Standing Committee where the value exceeds £1,000.

- f) *Loans and Long Term Liabilities:* The Council did not draw down any loans during the year ending 31st March 2022.

The Council continued to repay capital and interest on existing Public Works Loans, in accordance with the respective loan's repayment requirements, for which provision is made in the annual budget.

The Council assesses the funds needed for future capital and interest repayments on its loans through the annual Medium Term Priorities and Financial Planning process.

- g) *Review of Effectiveness:* an Internal Audit was undertaken by a competent and independent person on 23rd May 2022, which will be considered by the Corporate Governance Sub-Committee and Policy & Resources Committee, prior to consideration of this report, in order that recommendations can be made to Council on compliance with the provisions set out in the Annual Governance Statement.

**3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and proper practices that could have a significant financial effect on the ability of the Council to conduct its business or manage its finances.**

*Only done what the Council has the legal power to do and has complied with proper practices in doing so.*

- a) *Acting within powers:* the relevant legal powers for all the Council's activities are listed in the annual Budget, Precept and future estimates report and appendices, which is considered by Policy & Resources Committee in January each year and subsequently approved by Full Council.

The Town Council has an annual agreement with North West Leicestershire legal for the provision of a range of legal advice and services. The Council is also a member of the Leicestershire and Rutland Association of Local Councils and National Association of Local Councils, which are able to provide advice on the powers and duties of Local Councils.

When exercising legal powers, the relevant Standing Committee and the Council receive a report with the agenda setting out the context for the decision it is being asked to take, along with recommendations and supporting reasons. The Council's Proper Officer or the Deputy Proper Officer will be in attendance at Council and Standing Committee meetings to provide legal, financial and policy advice on the matters for determination.

- b) *General Power of Competence:* Following elections on 2nd May 2019, Braunstone Town Council determined on 16th May 2019, that it met the eligibility criteria in paragraph 2 of the schedule to The Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012. SI 2012 No. 965 and was an eligible local council for the purpose of completing any activity undertaken in exercise of the General Power of Competence.

Where the General Power of Competence is to be used legal advice is sought (see paragraph a above) and the details are set out in the report of the Chief Executive & Town Clerk to Standing Committee / Council as appropriate. Using the General Power of Competence, the Town Council manages and operates the Braunstone Town Library service and offers a Grant Scheme for individuals.

- c) *Regulations and Proper Practices:* The Chief Executive & Town Clerk reports to the relevant Standing Committee when regulations require a change to policy, duties and responsibilities, service structure, or requires resources. The Town Council is a member of the Leicestershire & Rutland Association of Local Councils/National Association of Local Councils and has direct access to legal advice. In addition, the Town Council sources legal advice and support from North West Leicestershire Legal, employment advice and support from Personnel Advice & Solutions Ltd and subscribes to services and advice from the Local Government Association. The Chief Executive & Town Clerk is a member of the Society of Local Council Clerks who also provide legal support and advice.

Annual reviews are undertaken of the Standing Orders and Financial Regulations to ensure compliance. Council policies are reviewed at least every 3 years or as a result of legislative changes.

An annual audit and detailed review of proper practices is undertaken by the Corporate Governance Sub-Committee in June, who directly report to Policy & Resources Committee and full Council.

- d) *Actions during the year:* the Chief Executive & Town Clerk as the principle legal advisor (or the Deputy Chief Executive & Community Services Manager), attends all decision making Committees and Full Council; where decisions are required a report/supporting material is issued in advance with the agenda and recommendations included. All decisions (including those taken under delegated authority) are recorded.

There was one instance during the year when an officer purchased items, which exceeded the delegated spending amount of £3,000 in Financial Regulation 11.1b, which applied at the time. The original quote to purchase 80 replacement chairs for the Council Chamber, to enable the existing 80 chairs to be relocated to Shakespeare Park Pavilion, was within the £3,000 limit. However, the officer subsequently increased the order to 100 chairs to provide enough seating for the theatre style layout. Unfortunately, this resulted in the total invoice being £3,295. The officer was immediately aware of the issue and reported it to the Proper Officer with a written explanation. This purchase inadvertently contravened the Council's own Standing Orders and Financial Regulations but in itself did not exceed the Council's powers or contravene any laws or external regulations or proper practices.

**4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.**

*During the year gave all persons interested the opportunity to inspect and ask questions about the authority's accounts.*

- a) *Exercise of public rights:* for the Year Ended 31st March 2021, in accordance with Sections 26 and 27 of the Local Audit and Accountability Act 2014 and Part 5 of the Accounts & Audit Regulations 2015, the Council published on Wednesday 30th June 2021:
- Sections 1 and 2 of the Annual Governance and Accountability Return;
  - a declaration that the status of the statement of accounts was 'unaudited'; and
  - a statement that set out details of how the public rights could be exercised, which commenced on 1st July 2021 until 11th August 2021.
- b) *External Auditor's Review:* The External Audit was completed on 13th September 2021. A notice was published to electors on 16th September 2021, in accordance with Regulation 16 of the Accounts and Audit Regulations 2015, of the conclusion of the audit and the right of electors to inspect the Annual Governance and Accountability Return and review the findings of the external audit.

**5. We carried out an assessment of the risks facing the Council and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.**

*Considered and documented financial and other risks and have dealt with them properly.*

- a) *Identifying and assessing risks:* The Council identifies, assesses and records risks that could have financial and reputational consequences. The corporate risks are attached at Appendix 1; proposed amendments are highlighted in **bold text**.

During the year, the Health & Safety Consultative Group recommenced its regular rolling review of operational service and activity risk assessments, which were delayed due to the Covid-19 pandemic and the need to focus resources on the Covid-19 incident and response, which included developing Covid-19 response procedures and guidance and adoption of risk assessments to ensure that the Council's services and activities were Covid-19 Secure. All operational service and activity risk assessments will have been reviewed by the end of 2022.

During the year, a large capital rebuild and refurbishment of the pavilion and site at Shakespeare Park continued (which had commenced in 2020). Due to the heavy plant and ongoing works adjacent to a recreation field, children's play area and public right of way; the Council appointed Browns Health and Safety to provide the Council with health and safety and risk

advice concerning the management of the project, overseeing the works contract and with ensuring that the parts of the site which remained open to the public remained safe for use.

Fire Risk Assessments as required by Regulatory Reform (Fire Safety) Order 2005 were completed on 25th April 2016 by Vital, which also included a General Risk Assessment. As a result of these, a Fire Risk Assessment checklist is completed every three months and the daily checklists were updated. Both a Fire Risk Assessment and a General Risk Assessment was undertaken on the new Shakespeare Park Sports Pavilion in July 2021 and all the recommendations were implemented prior to the building be open for use. Updated Fire Risk Assessments are scheduled to be undertaken before the end of 2022.

Banking – Compensation Scheme – with effect from 31<sup>st</sup> December 2010 the Government Scheme offers full compensation up to £85,000 per saver or authorised institution. The Corporate Governance Sub-Committee reviewed the risks of holding over £85,000 in any one bank account in June 2021 and considered the risk of losing large sums was low given the Town Council only invested in UK Bank Accounts (Corporate Governance Sub-Committee minute 7, resolution and reason 1, 2021/2022).

- b) *Addressing risks:* A review was undertaken of the Council's Insurance Policy and Assets Register in October when the Policy was due for renewal. As part of the renewal of insurance in 2016, the Council's buildings (Braunstone Civic Centre, Thorpe Astley Community Centre and Mossdale Pavilion and workshop) were revalued to ensure that the insurance value was sufficient for rebuild. The new Shakespeare Park Pavilion was valued in July 2021 upon practical completion. The revised valuations have been included in the insurance policy and have been included under the "Insurance Value" column of the Fixed Assets List, which forms part of the Accounting Statements (see next item on the agenda).

During May 2021 ROSPA undertook the annual inspections of all Braunstone Town Council play areas including play areas, Multi Sports areas, teenage areas and the skate park area. The inspections included reports on fencing, litter bins, safety surfaces and play equipment with priorities for work marked low, medium or high.

Three high priority items were noted on one of the Town Council's play areas. A number of medium priority areas were highlighted in the reports with the majority of these items marked as a low risk factor.

Policy & Resources Committee considered these items at its meeting on 26th August 2021 and agreed that repairs to the High Risk items listed in the report be completed as soon as possible and a work programme for other medium priority items with a risk factor of 9 should be undertaken before the end of the summer; with Medium priority items with a risk factor of 8 and below being included in the Winter Works Programme

2021/2022. The Committee also asked that a review of the effectiveness of the regular safety check procedures be undertaken (Policy & Resources Committee minute 26, 2021/2022).

On 10th June 2021, Policy & Resources Committee reviewed the Council's systems of internal control, including the management of risk, in order to determine whether there were sound systems of internal control and management of risk.

A list of the Town Council's fixed assets were revised and updated during 2021/2022 following the completion of the new Sports Pavilion at Shakespeare Park and the purchase of new laptops and chairs.

During the review, the Insurance Policy was updated to include new items purchased following the previous review. The Town Council's insurance policy covers the following risks:-

Public Liability	up to £15m any one claim
Employers Liability	up to £10m any one claim (£5m from Terrorism)
Money	Premises during working hours/in transit: £10,000; In Safe, £7,000; out of safe, £250.
Fidelity Guarantee	£500,000
Legal Defence	£250,000
Officials Liability	£250,000

Business Interruption Gross Rentals	£120,972
Additional Cost of Working	£50,000
(Maximum Indemnity Period:- 12 months)	

The Town Council made an insurance claim in April 2021 of £750 to cover the repair costs of a damaged playground safety surface at Holmfield Park.

An ongoing public liability claim against the Council from 2013 was heard in the County Court on 15th December 2021. The Judge found for the Claimant, who was 9 at the time. The claimant was using the tennis courts at Shakespeare Park when he ran into the restraining wire, which was exposed between the end of the net and the post, and was knocked backwards onto the tarmac surface causing him injury.

The Judge stated that:

- the exposed wire was a clear and obvious trap;
- the wire disappeared into the shadows;
- the end of the net formed a barrier in the mind of a 9 year old;
- there was nothing to hold the net in position; if it was secured to the post the accident would not have occurred since it would have formed a natural barrier;
- there was no evidence of vandalism;
- the accident occurred because the Council failed to secure the net to the posts; inspections should have flagged this up;

- consequently the Council failed in its duty to take reasonable care for the 9 year old child.

Damages of £20,344.11 was awarded plus costs of £26,000.00; which was covered under the Council's Public Liability Insurance.

The Health & Safety Consultative Group considered the judgement and agreed to:

- 1) ensure regular inspections of the Tennis Courts and exercise equipment is explicitly included in the routine safety checks; and
- 2) to check with ROSPA if they do inspections on sports/gym equipment – if not to draft a request to LRALC to check if a similar organisation carries them out.

**6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.**

*Arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of the Council.*

An Internal Audit was undertaken John Marshall, through the Leicestershire & Rutland Association of Local Councils' Internal Audit Services on 23rd May 2022, which will be considered by the Council's Corporate Governance Sub-Committee, Policy & Resources Committee and Council on the agenda prior to this item to ensure compliance with the provisions set out in the Annual Governance Statement.

Internal Audit had access to all the end of year financial reports and associated records and the Council's policies, strategies, agendas and minutes. The Responsible Financial Officer was available to assist the Internal Auditor in his work.

**7. We took appropriate action on all matters raised in reports from internal and external audit.**

*Responded to matters brought to the Council's attention by internal and external audit.*

The overall opinion of the Internal Audit in 2020/2021 was that *"the council's response in the early stages of the pandemic coupled with the evolving arrangements put in place to manage its business going forward from March 2020 demonstrates a level of preparedness that was and remains second to none. In conclusion, I am pleased to be able to report that having tested all the aspects of the council's internal controls that I am required to consider, based on the information made available to me I am satisfied that in all significant respects, the internal control objectives were achieved throughout the financial year to a standard adequate to meet the council's needs"*.

Three recommendations were made by the Internal Auditor in 2021 and the Action Plan was approved by Corporate Governance Sub-Committee, Policy & Resources Committee and Council in June 2021.

The recommendation to:

- *consider the risk of holding over £85,000 in any one bank account* was undertaken by Corporate Governance Sub-Committee on 10th June 2021 as part of the annual governance review; the Sub-Committee considered the risk of losing large sums was low given the Town Council only invested in UK Bank Accounts (Corporate Governance Sub-Committee minute 7, resolution and reason 1, 2021/2022);
- *regularly review the Council's bank mandates* was undertaken and updated by Policy & Resources Committee on 26th August 2021 (Policy & Resources Committee minute 32, 2021/2022) and included in the Financial Regulations adopted by Annual Council on 12th May 2022 (Council minute 6026, resolution and reason 2); and
- *consider "loss of reputation" as a business risk* was included in the Corporate Risks by Corporate Governance Sub-Committee on 10th June 2021 as part of the annual governance review (Corporate Governance Sub-Committee minute 7, resolution and reason 2, 2021/2022).

The External Audit was completed on 13th September 2021 and concluded that *"in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met"*. The outcome of the External Audit was reported to Policy & Resources Committee on 28th October 2021.

**8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Council and, where appropriate have included them in the accounting statements.**

*Disclosed everything the Council should have about its business activity during the year, including events taking place after the year-end if relevant.*

Council considered medium term priorities and financial planning on 18th November 2021. This document forms the framework for assessing the Council's priorities and future financial risks when developing its budget estimates for 2021/2022.

The Council's Medium Term Priorities and Financial Planning Strategy assessed the impact of the following Financial Pressures for the period until 2026/2027, based on the following pressures:

- pension scheme costs, taking into account the 2020 valuation with a 2% pay increase each year;
- additional staffing costs as a result of the NJC scale point review;
- additional Library staffing costs to be met following use of the TUPE transfer grant monies;
- 3% inflation during 2022/23, predicted by the OECD;

- one year increase during 2022/23 in employer National Insurance Contributions from 13.8% to 15.05%;
- introduction of Health and Social Care Levy from April 2023, with an employer contribution of 1.25%;
- savings from existing loans which mature during the period; and
- that the base budget predicted when setting the Council Tax equates to the actual income and expenditure.

The strategy sets these within the political and economic context and expected changes to the provision of services.

An ongoing public liability claim against the Council from 2013 was heard in the County Court on 15th December 2021. The Judge found for the Claimant, and awarded damages of £20,344.11 plus costs of £26,000.00. These costs will be met by the Council's Insurer under the Council's Public Liability Insurance Policy.

**9. Trust funds including charitable – in our capacity as the sole managing trustee we have discharged our accountability responsibilities for the funds(s)/assets, including financial reporting and, if required, independent examination or audit.**

*Met all of our responsibilities where the Council is a sole managing trustee of a local trust or trusts.*

Not Applicable. The Council is not a sole managing trustee of trust/charitable funds.

Review of Systems of Internal Control

The Corporate Governance Sub-Committee received and approved the proposed additions to the Council's Corporate Risks Assessment (Appendix 1).

The Corporate Governance Sub-Committee noted under Governance Statement 5, assessing and mitigating risks, that the Health & Safety Consultative Group had responded with measures in response to the outcome of a recent public liability claim relating to an accident at Shakespeare Park tennis courts in 2013. However, the Sub-Committee resolved "*that further measures be considered to ensure the safety of tennis courts nets; for example, painting the restraining wire yellow*". The further measure identified would act as an additional safeguard in the event that a tennis court net wire again became exposed (Corporate Governance Sub-Committee minute 7, resolution and reason 1, 2022/2023).

Therefore, having reviewed the control measures for each of the areas listed on the Annual Governance Statement and having reviewed and assessed the risks facing the Council and associated mitigating measures, on 16th June 2022 both the Corporate Governance Sub-Committee and Policy & Resources Committee were confident that to the best of their knowledge and belief, with respect of the accounting statements for the year ended 31st March 2022, there were sound systems of internal control and management of risk (Minute 7).

### Recommendation

That the systems of internal control and management of risk, as set out in the report and in the updated Corporate Risk Register at Appendix 1, be approved and confirmed as sound; and that Section 1, Annual Governance Statement 2021/22, of the Annual Governance and Accountability Return 2021/2022, attached at Appendix 2 of the report, be completed, signed and submitted accordingly.

### Reason

Having reviewed the control measures for each of the areas listed on the Annual Governance Statement and also the assessment of risks facing the Council and associated mitigating measures, the Corporate Governance Sub-Committee were confident that to the best of their knowledge and belief, with respect to the Accounting Statements for the year ended 31st March 2022, there were sound systems of internal control and management of risk.

**BRAUNSTONE TOWN COUNCIL: CORPORATE RISK MANAGEMENT – 1st JUNE 2022**

Area	Risk (bold indicates new risk)	Level	Controls (bold indicates revisions in June 2022)
Assets	Protection of physical assets	L	Buildings 'All Risks' insurance. Value increased annually by RPI. Fixed Assets list, which is published as part of the Accounting Statements, details Insurance Values for Buildings, Civic Regalia, Infrastructure (including CCTV, fences, sculptures and street furniture) and Recreation, Sports & Play Equipment.
	Security of buildings, equipment etc	L	Civic Centre, Thorpe Astley Community Centre, <b>Shakespeare Park Pavilion</b> and Mossdale Meadows Garage are protected by CCTV and alarm call-out system.
	Maintenance of buildings & Equipment etc	L-M	Buildings currently maintained in accordance with maintenance schedules. Annual ROSPA Report on Play Equipment – any remedial work undertaken on Winter Works Programme. Planned programme of electrical and safety equipment in place – In accordance with the Council's Safety Statement the Resources & Facilities Manager and the Senior Groundspersons are responsible for maintaining the Work Equipment Inventory, Legionella Inspection Regime and Equipment Maintenance Schedules (Form BTC 60)
	Protection of Data and Electronic Information and Records	M	The Council employs a professional IT consultant, IT Solutions Ltd, to manage the Council's IT Systems, including security and back up.

Area	Risk (bold indicates new risk)	Level	Controls (bold indicates revisions in June 2022)
Finance	Banking	M	<p>A minimum of two Current Accounts with the Co-operative Bank are maintained, a general account and a payroll account. Banking Arrangements are governed by Section 5 of the Council's Financial Regulations adopted on 30th June 2016 and revised on 12th May 2022.</p> <p>Out of <b>£243,220.55</b> total cash and investments on <b>31<sup>st</sup> March 2022</b>, <b>£211,574.89</b> is invested with a Cambridge Building Society 90 Day Notice Account. However, <b>£50,000</b> of this is ring-fenced loan receipt for the Shakespeare Park improvements, <b>which was drawn down in April 2022 to make the final payments.</b></p> <p>The government Compensation Scheme offers full compensation up to £85,000 per saver or institution. The Council currently has its financial resources with two <b>United Kingdom</b> banking institutions.</p>
	Risk of consequential loss of income	L	<p>Insurance cover. This will be reviewed <b>prior to</b> renewal in <b>November</b> to take account of the revenue from the Council's Community Centres.</p> <p>Important documents stored in fire proof safe and scanned onto the computer network, which is backed-up at Thorpe Astley Community Centre. The Council's Computer Booking System and Accounts Package are backed up daily on-line off the premises by the Package provider.</p> <p>Policy &amp; Resources Committee receives financial comparisons against approved income budgets each cycle and where it identifies that loss of income is significant (for example due to Covid-19 restrictions in 2020) is able to receive reports setting out proposals to address the financial shortfall.</p>

Area	Risk (bold indicates new risk)	Level	Controls (bold indicates revisions in June 2022)
Finance (cont.)	Loss of cash through theft or dishonesty	L	<p>The Council's systems of internal control are set out in the Financial Regulations revised on <b>13th May 2021 and 12th May 2022</b>. The Council also has Fidelity Guarantee insurance cover up to <b>£500,000</b>.</p> <p>The Council's Insurance Policy provides Officials Liability Insurance cover of £250,000.</p>
	Loss of income due to poor reputation and/or failure to provide a service	L	<p>The Council's Computer Booking System and Accounts Package are backed up daily on-line off the premises by the Package provider.</p> <p>The Council has policies and procedures in place relating to Customer Service, Business Continuity, Health &amp; Safety and Complaints.</p> <p>Staff receive training in Customer Service and use of IT systems.</p>
	Financial controls and records	L	<p>Monthly bank reconciliations are prepared by the officer administering day to day finances and checked by the Chief Executive &amp; Town Clerk. Two signatories on cheques and internet banking payments. Each Standing Committee receives a list of all expenditure transactions since the previous report. Policy &amp; Resources Committee receive a summary of the Council's Cash and Reserves following the end of each quarter. Internal and external audit.</p>

Area	Risk (bold indicates new risk)	Level	Controls (bold indicates revisions in June 2022)
Finance (cont.)	Comply with Customs and Excise Regulations	L	Use help line when necessary. VAT payments and claims calculated by the Chief Executive & Town Clerk. Internal and external auditor check.
	Sound budgeting to underlie annual precept	L	Policy & Resources Committee and Council receive <b>the annual Medium Term Priorities and Financial Planning assessment</b> each autumn. Precept derived directly from this. Expenditure against budget reported to Committees each cycle.
	Complying with borrowing restrictions	L	The Council assesses the funds needed to secure existing and future capital and interest repayments on its loans through the annual Medium Term Priorities and Financial Planning process.
Liability	Risk to third party, property or individuals	M	Insurance in place. Open spaces checked weekly. Trees investigated annually and when damage reported. Risk assessments of individual events carried out as necessary.

**Section 1 – Annual Governance Statement 2021/22**

We acknowledge as the members of:

ENTER NAME OF AUTHORITY

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2022, that:

	<i>Agreed</i>		<i>'Yes' means that this authority:</i>
	Yes	No*	
1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.			<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>
2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.			<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>
3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.			<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>
4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.			<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>
5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.			<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>
6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.			<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>
7. We took appropriate action on all matters raised in reports from internal and external audit.			<i>responded to matters brought to its attention by internal and external audit.</i>
8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.			<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>
9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.	Yes	No	N/A

\*Please provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.

This Annual Governance Statement was approved at a meeting of the authority on:

DD/MM/YY

and recorded as minute reference:
