

BRAUNSTONE TOWN COUNCIL

NEIGHBOURHOOD PLANNING

- * What is your vision for Braunstone Town in 20-30 years time?
- * Do you care about the local built environment and its design?
- * Do you care about the services in the Town: shops, schools, parks and open spaces?

The Town Council is considering whether Braunstone Town would benefit from having a Neighbourhood Plan. The plan can consider: Where new homes, shops and offices can be built; What new buildings should look like and what infrastructure should be provided; Provide protection for open spaces and community facilities.

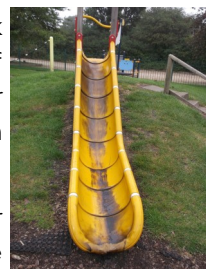

Such plans require resources to prepare, however in the long run can support economic growth, improve quality of life and protect the natural environment.

Tell us whether you think the Town would benefit from producing a Neighbourhood Plan and crucially whether you would be prepared to get involved for the duration (around 4 years) to work on developing a plan. You can find out more information and give us your feedback via the feedback form on our website, email: executiveofficer@braunstonetowncouncil.org.uk or visit Customer Services at Braunstone Civic Centre.

MOSSDALE PARK DAMAGES

Were you near/at Mossdale Park during the evening/night of Tuesday, 13th September, or Wednesday morning 14th September?

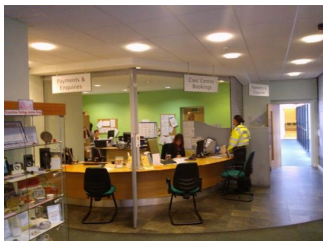

Play equipment in the toddler playground area at Mossdale Park was vandalised and set on fire.

If you were in the area or if you have any information about who is responsible for damages please get in touch with
