THORPE ASTLEY COMMUNITY CENTRE CAR PARK

Following recent unauthorised encampments in the area, the Town Council will be locking the gates to the car park at Thorpe Astley Community Centre when the building is not in use. This will apply even if cars remain in the car park at closing time. The gates will not be unlocked until the building is next in use. Please therefore check at the Centre reception when the gates will be locked. We don't want to lock you in!
