BRAUNSTONE TOWN COUNCIL

Welcome to our Annual Report 2019-2021

By **Councillor Nick Brown**, Leader of Braunstone Town Council

Item 5a

Despite these challenging times, the Town Council continues to provide important services to the community and this Annual Report, which due to the pandemic covers two years, provides a summary of our achievements since May 2019 and looks ahead to our aspirations for the next 12 months.

A full list of our achievements are set out overleaf, however, I wish to reflect on three significant areas here.

In the summer of 2019, the Town and County Councils reached agreement to transfer the management of Braunstone Town Library to the Town Council, which took place in October 2019 with a successful launch event a month later. I am delighted that the agreement secures the Library's future along with the County Council's ongoing financial commitment, avoiding additional costs to the Town's taxpayers. I would like to thank the community for supporting our proposals. However, it doesn't end here, your Library is now managed locally and we want to provide a more responsive service to meet the needs of local residents. Therefore, as the Library reopens there will be many ways to get involved, such as volunteering for a new initiative or sharing your ideas through our Citizens' Advisory Panel.

Early in 2020 phase 1 of the works to deliver our ambitious plans to improve the facilities at Shakespeare Park commenced. The new multi-purpose Pavilion is due to open late Spring 2021 and supports lawn bowls, pétanque, football and tennis and provides for both sustaining and encouraging growth in sport participation. Phase 2 of the works to improve the tennis courts and play facilities is due to commence once funding has been secured.

Finally, the Council has continued to support the community during Covid-19 through our Community Response helping those in need, supporting a Community Foodbank at the Civic Centre, facilitating the roll out of the Covid-19 vaccine at Thorpe Astley Community Centre and through additional grant funding to support community groups during and after the pandemic. Thank you to all those who volunteered their time to help and support their community and neighbours through these very difficult times.

Looking ahead to the coming year, the report sets out 10 key priorities for the Town Council. A new one this year sets out our commitment to addressing issues impacting on the climate.

Information on our services and the latest news can be found on our website at www.braunstonetowncouncil.org.uk or by contacting Customer Services.

Once again, thank you for your time

Councillor Nick Brown

BRAUNSTONE TOWN COUNCIL

CAPITAL PLAN 2021/2022

The Council's Capital Projects have been identified through identified emerging priorities, the Annual Survey, the Citizens' Advisory Panel and the Parish Plan. A review of the Council's Open Spaces and Parks identified priorities for Capital improvements should external funding arise, as a result Policy & Resources Committee on 11th April 2013 adopted "Proposals and Priorities for Improvements to Our Parks and Open Spaces", which form part of this programme.

Each year Policy & Resources Committee, when considering the budget estimates and precept for the forthcoming financial year, reviews progress with Capital Projects and updates the list according to funding and priorities. The Capital Plan forms the foundation of the strategic investment and improvement works undertaken by the Town Council in the year ahead. The Capital Plan proposals are considered and approved at Full Council in January when the budget and precept is set.

Community Centres Projects		
Building	Project	Notes
Civic Centre	Refurbishment of both sets of Toilets including exploring the provision of a Changing Places Toilet. <i>The current toilets are approximately 20 years old. The refurbishment of the toilets provided an opportunity to ensure that the Civic Centre toilet facilities are fully accessible.</i>	Priority Project for 2021/22
	Refurbishment of the Civic Centre Bar, Kitchen and Store Facilities (To enable the expansion of the facility to provide a café service during the day and additional lunches and meals, utilising the space more effectively and providing a wider community social space).	Priority Project for 2021/22
	Council Chamber internal refurbishment: <ul style="list-style-type: none"> • Heating/Air Conditioning • Mood Lighting Audio / Visual Equipment, including sound and loop system and fixed projector. <i>The facilities are in need of modernisation for users and hirers: the room is used for meetings, consultations, seminars, training and social events.</i>	On-hold pending review and availability of resources
	Sound proofing of Partition Doors between Ravenhurst / Winstanley Rooms. <i>Complaints from hirers about noise from adjoining room, potential impact on ability to hire both rooms separately.</i>	Not required if current proposals to refurbish toilets and provide a new kitchen facility go ahead.

Community Centres Projects		
Building	Project	Notes
Civic Centre Continued	Refurbishment/Replacement of Fire Doors in Council Chamber. <i>Some doors and frames are rotten and doors stick when the frames swell in the damp. Potential to hinder exit in an emergency.</i>	Currently scheduled for 2021/22

Both Centres	Repainting of Rooms in both Civic Centre and Thorpe Astley Community Centre where there is dirt or damage (to ensure rooms are attractive to hirers).	Priority Project for 2021/22
	Installation of hearing loop systems in main rooms at both Community Centres. <i>Item already included where refurbishment of specific rooms has been identified.</i>	To be scheduled.

Library Projects	
Project	Notes

General Projects		
Location	Project	Notes
Civic Centre and Franklin Park Car Parks	Resurfacing/ Relining of Civic Centre, including exploring new handrails along footpath on entrance slope from Welcome Avenue, and Franklin Park Car Parks. <i>Poor quality of the surface, particularly near entrances and patching is costly and inefficient. Lines are currently fading and can be relined following resurfacing. The slope at the Civic Centre is considered steep and potentially presented difficulties for wheel chair users and those who are less able.</i>	Currently scheduled for 2021/22
Installation of Solar Panels at both Community Centres and Shakespeare Park Pavilion	The Town Council has undertaken energy saving projects such as LED Lighting and installation of new heating and air conditioning systems. Shakespeare Park Pavilion will be built to current efficiency standards. The next stage for both reducing the impact on climate change and making savings is generation of some of the Council's electricity from renewable sources.	To be scheduled.
Improvements to Cycling Facilities	Cycle lock-up rails are available at both Centres and will be available at the new Shakespeare Pavilion. To encourage cycling and to ensure parked cycles are safe – consider covers, lock ups, better signage and CCTV coverage.	To be scheduled.
Gateway signage to the Town on the new road from Lubbesthorpe	The Town Council was responsible for the Town's place signs and would be responsible for installation of such signs at the new gateway and could explore incorporating speed reminders and/or safety messages.	To be scheduled once the road has been adopted by Leicestershire County Council.
Thorpe Astley Gateways	Gateway signage at the entrances to Thorpe Astley estate	Scheduled February / March 2021.
Provide new, improved and enhanced notice boards at key locations	Over the past few years, many notice boards have fallen into disrepair and have been removed. Some existing notice boards are in need of refurbishment and replacement. Some notice boards are located where there isn't a high level of footfall, while some key locations do not have notice boards.	Rolling programme over 5 years.

Adopted by Council 28th January 2021 (Minute Reference 5896).
